## Product Warranty

Virginia Woodcrafters warrants the original consumer/purchaser for One Year from the date of substantial completion that the Virginia Woodcrafters products will be free from defects in material and workmanship under normal use. This warranty is only applicable to products used in commercial applications within the United States and is not transferable to subsequent owners.

Virginia Woodcrafters will elect at its discretion to either repair or replace the defective material or component, free of charge. This warranty covers only parts and materials of the products supplied by Virginia Woodcrafters. Not covered under this warranty are counter tops, appliances, plumbing fixtures, etc. or the costs, including labor, to remove and reinstall materials and related components such as fittings, appliances, etc.

This warranty shall become void if the cabinets are in any way modified, improperly used or damaged prior to or during the installation. Furthermore, this warranty will not apply to cabinets damaged by gross misuse, neglect, abuse, acts of God, exposure to moisture, exposure to extreme temperatures or the effects of normal wear and tear.

Natural woods may vary in color, characteristics and exhibit subtle changes as they age. For example, white painted face frames may eventually have visible cracking around the joint area and cabinet colors may darken or lighten over time. Sunlight, smoke, household cleaners and other environmental conditions may also affect the color match over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered.

Virginia Woodcrafters reserves the right to alter design, specifications and material without obligation to make similar changes to products previously manufactured.

The repairs or replacements are contingent upon the current product offerings of styles and construction options within the Virginia Woodcrafters products at the time of the warranty claim. If a warranty claim is filed after a Virginia Woodcrafters product becomes obsolete, Virginia Woodcrafters reserves the right to honor the warranty in one of the following fashions:

1. To replace the affected component with a new component of the same style.
2. To replace the affected component and any other component(s) in the related commercial application to achieve a uniform appearance with a similar and comparable product style of the originally purchased style.

If components are replaced, Virginia Woodcrafters cannot guarantee that the finish of these replacements will exactly match the finish and appearance of the components in the commercial application. This is due to the changes that occur during the woods' natural aging process, affecting its color and grain.

*THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF VIRGINIA WOODCRAFTERS AND DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.*

This warranty gives you specific legal rights, and you may have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

To obtain replacement(s) under this limited warranty, first contact Virginia Woodcrafters, who will arrange for inspection of the cabinets. A dated sales receipt as proof of purchase is required to obtain benefits from this warranty.
